

REPORT OF THE RESEARCH ACTIVITIES
FROM 2010-11 TO 2016-17

During 1st cycle of accreditation, the Peer Team pointed out the weakness of research activities of the college. Since then IQAC, Research Committee and the Head of the Institution have taken various initiatives to create an enabling atmosphere to facilitate research and innovation. We have a few faculty members with excellent research performance through publications, undertaking research projects, attendance of seminars and guiding research students.
